Wilson for Offer Ships Fast Falling Into British Hands

LONDON, Aug. 7 .- (11:40 p. m.)-The capture of German merchant craft continues at a rate gratifying to constiahmen, who predict that the war will speedily result in driving German commerce off the sea.

German-American Peace Body Thanks

NEW YORK, Aug. 8-A message of thanks for President Wilson's offer of mediation to the powers at war in Europe was sent to him tonight by the German-American peace society from its general meeting here.

With the outbreak of war in mind, the secretary in a statement reaffirmed its adherence to the peace proposal laid down in its platform. It adds:

Late this afternoon the German steamer Hauta, lumber laden, was towed into Leith. This is the fourth German prize brought into that port. Lloyd's agent at Bordeaux reports that the German steamers, Consulhorn and Arcturus, have been seized there by the French government.

Since the outbreak of the war a number of German merchant ships which were lying in English harbors when war was declared have been seized. Accord-

ice. The Canadian naval department has been flooded with applications to serve department has been flooded with applications to serve on the Niobe with men, who have served from five to ten years in the British navy, but left the king's service before their twelve years' period of enistment of Omaha, Miss Frances Long of Madison,

firmly believe in the mission of the German nation.

Omaha real estate is the best investment you could make. Read The Bee's real estate columns.

This institution is the only one in the central west with separate buildings situated in their own ample grounds, yet entirely distinct, and rendering it possible to classify cases. The one building being fitted for and devoted to the treatment of non-contagious and non-mental diseases, no others being admitted; the other Rest Cottage being designed for and demed to the exclusive treatment of select mental cases requiring for a time watchful care and special nursing.
